

Presentation: Avenue to the Experience ...

“Strategies For Working With Students Who Demonstrate Challenging Behaviors That are Complicated by the Experience of Severe/Profound Disabilities”

Courage to Risk Conference, Colorado Springs, Colorado

January 24th, 2009

Jo Mascorro, M.Ed., Consultant For Education, San Antonio, Texas

Anticipation:

- ... and YOU are?!?! approach from the front
- really do need to know ... who knew? ... same as YOU
- about to happen, happening, almost over, over

Variety:

- natural sequence of events
- chronological vs. developmental
- what's next?!?!

Experience:

- recording brain
- HEAR (all gone!) ... SEE (understand) ... DO (remember) ...
- meaningful is memorable

Notice:

- CSI ... Communication Systems Investigation
- behavior is communication
- “listen” to behavior

Universal:

- feedback
- it's all about QUALITY of life
- meaningful participation ... model ~vs~ manhandle

Educate:

- 2 MAJOR jobs
- don't assume
- avenue to the experience
