

Sy Wallach Team Scholarship

The Sy Wallach Team Scholarship has been created in the spirit of collaboration and teamwork by building bridges between educational teams. Throughout his professional career, Sy Wallach advocated for a cohesive partnership between professionals as a way to support children and youth with exceptionalities.

The Courage to Risk Conference Committee created the Sy Wallach Team Scholarship award to honor this idea of partnership. Each year, one team made up of two recipients, will each be awarded a free registration to the Courage to Risk Collaborative Conference. A team can consist of a general education teacher and a special education teacher/OT/PT/SLP, a parent, a paraprofessional, or any other permutation of individuals committed to improving the education of children with special needs.

Please send your completed form to Colorado CEC, 15543 E Quincy Place, Aurora, CO 80015 or email Sherry Meschko at slmeschko@aps.k12.co.us.

The deadline to apply for this scholarship is November 5, 2010. Recipients will be notified in December, 2010.
