# Model Sites

- Creating Model sites for over 10 years.
- Model sites can be visited by school teams working with CDE and those who are just wanting to improve services to students with SSN
- Sites located throughout the state with new ones being added frequently

# What can you do to assess your services?

- Download the Quality Indicators
- Complete the QIs yourself
- Have you team members complete the Qis
- Review your results and determine where you want to make changes
- Determine your Action Plan
  - Only 1 to 2 major goals at a time
- Visit a model site

# Want to Jump on the train?

- To find out more about becoming a Model site or to Visit a Model Site, Contact your Special Education Director
- Have the director contact Gina Herrera at CDE
  - [Herrera\\_g@cde.state.co.us](mailto:Herrera_g@cde.state.co.us)
