

Hello,

I am writing to request funding to attend the Courage to Risk conference on January 20th and January 21st, 2023, at the Broadmoor Hotel in Colorado Springs, Colorado.

The Courage to Risk Conference is a collaborative conference comprised of a variety of organizations committed to the educational success of students with diverse learning needs. The mission of the CTR conference is to provide quality educational experiences to parents, students, teachers, and community members; to provide networking experiences for participants; and to motivate those working with students with diverse learning needs.

This conference will help attendees gain knowledge and understanding that will benefit students for years to come. I'm interested in participating in this conference to learn how to grow in my skills in order to help identify strategies and accommodations that will help students take ownership of their learning and by attending the Courage to Risk conference I will be able to:

- Attend sessions that will help me address issues our students with special education needs are facing in the areas of academic, behavior, and social-emotional needs.
- Learn strategies and techniques that will provide new approaches to meeting student needs.
- Collaborate with professionals from around the state.
- Explore innovative products and services offered by top education companies in the exhibit hall.

The registration fee for the conference is \$\_\_\_\_. Thank you for your consideration of my request for funding to attend this program. I look forward to implementing what I learn with my students.

Sincerely,
